

Can you spare \$1?

Dear Family & Friends: Our team is having a dollar fundraiser. The proceeds will go to help fund Histiocytosis Research since there is no government funding. Sign your name below, and donate \$1. It's that easy.

Liam's Lighthouse Foundation is a 501(c)(3) non-profit organization focused on increasing awareness of Hemophagocytic Lymphohistiocytosis (HLH) and all histiocytic disorders as well as the importance of becoming a blood and bone marrow donor.

Liam's Lighthouse Foundation aims at raising money to fund much needed research for safer, more effective treatment methods and ultimately a cure. Histiocytosis is a general name encompassing 6 histiocytic disorders. Histiocytosis is a potentially fatal immunodeficiency with similarities to cancer.

All proceeds from this Dollar Drive will go towards Histiocytosis Research - **there is no overhead.**
